

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

Stephen Seyler
BID Executive Security Director

SUMMARY FOR 11-7-11 THROUGH 12-31-11

This report takes us through week 52 of 2011. This was a very productive year for our Security Team. Our arrest totals were higher than the last two years. This is a reflection of the generally higher rate of crime this year. We continue to fine tune our homeless outreach efforts and have seen many success stories this year. We continue to create and improve relationships with a diverse group of outreach providers, business people, law enforcement and others. We are committed to continue to evolve as we explore and find new and better ways to achieve our goal which is to improve the quality of life inside the BID areas. __

EVENTS OF INTEREST:

On 11-7-11, we received a radio call regarding a man causing a disturbance at the Library located at 1623 Ivar. The man was gone, but based on the description, we believe the subject is longtime disturbed homeless man Marcus. We told them to call back if he returns. The library employee then said that they prefer to call us instead of the County Security because of our quick response and problem resolution skills.

On 11-8-11, our Officers went to the Burger Factory located at 6050 Hollywood Blvd. in order to get a Trespass Form signed for 2012. Owner Pedro Guerro was very complimentary saying that he has called BID Security on several occasions and was amazed by the rapid response and resolution of problems.

On 11-16-11, Andrews International was one of the sponsors for the Chamber of Commerce Luncheon. Former Senator Chris Dodd was the featured speaker. V/P Bill Farrar and H+H Security Director Mike Harkins represented Andrews.

On 11-17-11, our Officers found the door to Jane's House located at 6541 Hollywood Blvd. open. There is alcohol and expensive audio equipment inside. We contacted the owner (Mark). We stood by until he arrived. He was grateful and said that a work crew may have left the door open.

On 11-24-11, we learned some bad news regarding a longtime homeless man named Brandon Lambert. We were told that he was

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

killed while walking on the 134 Freeway last Halloween night. He was apparently hit by three separate cars.

Brandon used to sleep in the area of Cahuenga and Yucca. He was often partially naked. We arrested him on occasion and made numerous attempts to get him to enter a program. He always refused. Housing Works was also attempting to work with him.

On 12-5-11, we hosted a meeting between the LAPD, H+H Security, and representatives from the Gap, Louis Vuitton and American Eagle. The purpose was to seek solutions to issues regarding thefts and other crimes at these locations. LAPD Captain Grimala and Detectives Cruz and Romero attended as well as Mike Harkins from H+H Security. I also attended along with representatives from the various businesses. It was an open and productive exchange of ideas.

On 12-6-11, our Officers saw a green Toyota strike a mother and daughter at Hollywood and El Centro. The mother was thrown into the air and landed on her head. The daughter was thrown about 7 feet. We assisted the women and called Paramedics and the LAPD. We also contacted the driver and asked him to park and wait for the LAPD. Both women were transported to the hospital. The mother appeared to have moderate injuries and the daughter a possible broken right leg.

On 12-8-11, I attended a lunch meeting with new Neighborhood Prosecutor Tamar Galatzan along with Mike Harkins and Andrews V/P Bill Farrar. It was a great chance to discuss ways of working together to address areas of mutual concern in Hollywood.

On 12-9-11, FB1 Officer Sterling and Islas monitored an LAPD radio broadcast regarding a man shooting indiscriminately in the area of Vine and Fountain. Sterling then broadcast a warning to FB4 (Ayala and Coogle) and Sgt. Patton who were in the area. FB1 and Sgt. McCall started heading to the area.

Sgt. Patton spotted the suspect in the street on Vine south of Sunset. He parked in the street. An LAPD Patrol car also pulled up. Ayala and Coogle then arrived and stopped next to Patton's vehicle. They were in front of the Kinko's located at 1440 Vine. The

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

suspect was close to a Mercedes which was on the west curb. The driver (John Atterberry) had bullet wounds to his head. He later died of his wounds.

The suspect began walking southbound towards our Officers who had taken cover behind their vehicles. The suspect had a handgun in his waistband and a knife in his right hand.

Our Officers drew their handguns and ordered him to put down his weapons. The suspect was yelling "Shoot me. I'm going to die".

Sgt. Mc Call arrived to the north of the suspect. As he approached he saw that he was in a cross fire with the Officers to the south. He then ducked around the corner and stopped several pedestrians from walking into the line of fire. FB1 Sterling and Islas arrived at Sunset and Vine and immediately started directing traffic and pedestrians away from the gunman.

An LAPD Officer approached the suspect. He was to the north of our Officers. He ordered the suspect to put the weapon down. This caused the suspect to turn away from our Officers and head towards the LAPD Officer.

The suspect did not obey the commands and the Officer fired striking the suspect

multiple times. The suspect (Tyler Brehm) was killed.

All of our Officers then assisted the LAPD with crime scene protection and perimeter set up. Our Officers also gave witness statements to the handling Detectives. Our Officers showed great restraint and professionalism during this incident. The suspect was about 15 feet from them when the LAPD Officer distracted the suspect. Our Officers were possibly seconds away from having to use deadly force. They were able to immediately re-access the situation when the LAPD Officer intervened and came into their line of fire.

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

On 12-16-11, our Officers were honored with commendations by LAPD Chief Beck at a Press Conference in downtown Los Angeles.

On 12-12-11, our Officers were investigating illegal umbrella venders near Hollywood and Highland when a truck struck a motorcycle in the intersection. The man on the motorcycle had serious injuries. FB1 (Sterling and Islas), FB4 (Parra and Tesh) and E30 (Sgt. Patton) immediately entered the intersection and began directing traffic around the injured man. This was done in the pouring rain. Paramedics and the LAPD arrived some time later and the man taken to the hospital.

On 12-22-11, BID Officers Mooney and Islas participated in an event sponsored by the National Latino Police Officers Assoc. They went to the Children's Hospital and distributed toys to many of the children there with serious illnesses and injuries. They were in uniform and we were proud to have them represent us there.

OUTREACH:

On 11-7-11, our Officers found Michael down at 1810 Wilcox. He said that he could not walk. We called Paramedics and unit RA 826 responded and took him to the hospital.

On 11-9-11, we received a radio call of a female passed out at the 7-11 located at 1810 Cahuenga. Upon arrival we called Paramedics who treated her at the scene. She suddenly jumped up, declared she was OK, and left the scene.

On 11-9-11, our Officers found 48 year old Ralph lying in the street at 7060 Hollywood Blvd. It was dark and there was little lighting. Fearing that he would be hit by a car, they woke him. He left, but did not understand what all the fuss was about.

On 11-11-11, we received a call of a man needing assistance at Prestige Jewelers located at 6552 Hollywood Blvd. Upon arrival we found Douglas on the sidewalk out front. He believed that he was having a heart attack. We called Paramedics and RA 27 responded, treated him, and took him to the hospital.

On 11-11-11, I was contacted by Reggie Holmes from PATH. He told me that after weeks of BID Officers Mike and Mike advocating on her behalf, the homeless Teri was admitted to a PATH Shelter yesterday. Teri has many challenges. There are mental issues and she is also involved in an abusive relationship. We give out thanks to PATH and are hopeful that Teri will now receive the support she needs. Teri called Mike and Mike and was in tears as she thanked them for helping her.

On 11-15-11, Otis from Step up on Second asked for our assistance in locating the homeless John. He was scheduled to take John to a 10:00 A.M. meeting with the Los Angeles Housing Authority. We were able to locate John and alert Otis. They were able to make their meeting.

On 11-15-11, our early morning HBID Team (Sterling Islas) met a homeless man named Vincent. He was living in his car and was in need of assistance. They called our early morning SBID Team (Google/Ayala) for help. They were able to tell him about the services available in the area and directed him to the Saban Free Clinic for a TB test which is a necessary first step for entering a shelter.

On 11-15-11, our Officers Mike and Mike spoke with Mark from Step up on Second at

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

6636 Selma. They introduced him to Rodney who has been homeless in Hollywood for over five years. We were hopeful that Rodney would fit the criteria for their program.

Mark said he would complete a registry and evaluate Rodney.

On 11-16-11, we received a call from Seglinda of Housing Works. She said that longtime homeless substance abusers Nancy and Moe have agreed to become clients. They have completed their paperwork for Section 8 Housing and have agreed to enter a substance abuse program. We have seen these two make progress in the past only to slip back to a destructive life style on the streets. The effort continues.

On 11-18-11, we received a radio call of mentally challenged patient that had fled the Hollywood Community Hospital. We found the female patient at 6430 Sunset Blvd.

Two nurses and four security guards were involved in the search.

Although reluctant, she agreed to let us drive her back to the hospital.

On 11-19-11, our Officers Mike and Mike contacted longtime homeless man Richard at Hollywood and Cahuenga. We have become increasingly concerned with his deteriorating condition. Step up on Second and others are trying to assist. Our guys learned that it was his birthday so they gave him a cupcake and sang happy birthday to him. This caused Richard to cry.

On the following Monday, we found Richard passed out at the same location. There was an empty bottle of gin next to him on the sidewalk. His pulse was so weak that he thought he may have died. We called Paramedics who responded and took him to the hospital.

On 11-20-11, our Officers were handling a radio call at the McDonalds located at 6776 Hollywood Blvd. After handling the call, they were approached by the elderly Maria. She was trying to get to her home which was at the Salvation Army Residence. She said she was unable to hail a cab. It was cold and pouring rain and Maria was not dressed for the weather. We then drove her home.

On 11-23-11, Sgt. Reyes and Officer Melvin handled a radio call of a man causing a disturbance at the CVS Pharmacy located at 1747 Cahuenga. Upon arrival they heard the Manager tell the 19 year old Aaron that he was not allowed on the property. Our Officers asked

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

him to leave and he was very belligerent. He threatened our Officers and started to approach them. He finally retreated and left the scene.

About a half hour later they were handling a radio call of a trespasser at the 7-11 located at 1810 Cahuenga. They sent the man on his way. They then saw Brandon approaching them and feared that he was going to attack them. To their surprise, he apologized and began crying. They sat him down on the curb and spoke to him at length. He said he was thinking of hurting himself.

Aaron said that he came here from Riverside to get away from the Rolling 30's gang. They wanted him to do something bad. He refused and feared they would kill him. Due to the holiday, we were unable to get a hold of our usual outreach contacts.

Our Officers feared leaving Aaron on the street in this mental condition. They gave him \$30.00 and drove him to the Hollywood Hostel. He was able to get a room and to buy some food. He was given directions to the Church of the Blessed Sacrament and told to go there on Friday. Aaron hugged the Officers and thanked them for giving him hope again.

On 11-23-11, our Officers were conducting a business check at the 7-11 located at 1810 Cahuenga. The Manager Mr. Kim asked them to speak with him in his office. He told them how much he appreciates the BID Security Team. He also discussed health and family issues and the Officers felt he just wanted someone to talk to. They were happy to oblige.

On 11-23-11, our Officers were approached by longtime homeless man Kenny. He said that he had recently been arrested at the Social Security Office and was banned from returning. He receives his SSI on an ATM card which he has lost. He found himself in a catch 22 situation. Our Officers later met with SSI Office Manager Ann. She was aware of Kenny and the situation. She was very helpful and agreed to send his check and new ATM card to the Church of the Blessed Sacrament.

We have had negative contacts with Kenny going back to at least 2005. We have arrested him at least five times during that period including for blocking the sidewalk on

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

11-27-11. I believe that the fact that Kenny would approach us to help solve his problem is testimony to our Officers professionalism. This positive rapport with Kenny could one day lead to a successful effort to get him to leave life on the street.

On 11-23-11, we found Delvin lying on the sidewalk at Selma and Schrader. He was wearing a hospital wristband. He was non-responsive. We called Paramedics and RA 827 responded and took him to the hospital.

On 11-25-11, we received a call of a found elderly man at the Café Etc. located at 6371 Selma. We spoke to Mr. Chu and learned that he lived at 1637 Vine. We called the LAPD who responded and then took him home.

On 11-26-11, we received a radio call of a man refusing to leave Houston's BBQ located at 1620 Cahuenga. He was clearly under the influence of an unknown substance. We initially placed Terrance under arrest for trespass. We called Paramedics and the LAPD. Johnson was then taken to the hospital for treatment.

On 11-28-11, our Officers were contacted by Randall Mullins of the Department of Mental Health. He asked for our help in locating Arni. We advised we would look for him. Our Officers took the opportunity to see if Randall could offer assistance to two other troubled homeless people named Richard and Carl. We recently learned that Carl's real name is Yogie. We took Randall to Richard's location. He offered him assistance, but he refused as he usually does. Arni, Richard and Carl are three of the people in the most need of help in the BID areas.

On 11-29-11, our Officers contacted homeless 40 year old Aurelie and her three children at the McDonald's located at 6776 Hollywood Blvd. The children are 14 year old Terrell, 10 year old Terrence and 7 year old Janice. Aurelie said she moved to California two years ago, but has not been able to keep a job. She had been staying in a shelter in the San Fernando Valley for the last three months with her children, but had to leave on November 9, 2011.

We contacted Courtney from PATH and she agreed to set up a meeting at noon to discuss shelter for the family. Our guys gave Aurelie directions and money for the Metro so she could get there.

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

I later spoke to Courtney. She did not have space for the family, but referred them to another location so they could get temporary shelter. The family is on PATH's list for a long term placement.

On 11-30-11, we assisted the LAPD in arresting Sonja for a Felony No Bail Warrant. Member of the homeless outreach were very concerned for her safety and asked for our help in having Sonja arrested and taken off the street. She has recently given birth.

On 12-1-11, at about 6:30 A.M., our Dispatcher Vicky was walking to our office. As she passed by the Gap store located at 6801 Hollywood Blvd. Ralph approached and asked for a cigarette. He had a long wooden stick and was acting very strangely. He then offered to make her his sex slave. Vicky felt very threatened. She rushed away and called BID Security.

About three hours later, our Officers found Ralph at Hollywood and Cherokee. He was waving the large stick in the air and appeared to be a threat. They approached him and he pulled out a large knife. We ordered him to drop both weapons and he did so. We called LAPD who took him into custody, placed a 5150 hold and took him to the hospital.

We arrested Ralph on 11-8-11 after he attacked a security guard at 6801 Hollywood Blvd.

On 12-6-11, our Officers met with troubled homeless man Richard. He is one of our most at risk people on the BID. Mark from Step Up On Second has been working with Richard with muted results. Our guys spoke to Richard about taking a tour of Michael's Village where Mark hopes to place him. Mark has had no luck in convincing Richard to come to the location. On this occasion, Richard agreed to take the tour. We contacted Mark who was ecstatic saying that this was a huge step for Richard. He said he would arrange the tour.

On 12-7-11, our Officer met with a homeless man known as "Tiny". He is a very heavy man and has to use a motorized wheelchair to get around. He got a flat tire and bought a new tube at Pep Boys, but was unable to make the repair. Our Officers took the flat tire and new tube back to Pep Boys and they made the repair at no charge to Tiny. Tiny is now back on the road. He was very grateful for the help.

On 12-8-11, Mark called and said he was ready for the tour. Our Mike and Mike picked up Richard and Mark and drove them to Michael's Village located at 7160 Sunset Blvd. Richard took the tour and was quite excited although he did not enjoy interacting with Mark. This is something we have learned about rapport building. For whatever

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

reason, some people can be reached by one person while they may completely shun another. It's why we don't lose hope on some of these difficult cases.

On 12-8-11, we found Kenneth down on the sidewalk. He was non-responsive so we called Paramedics who responded and took him to the hospital.

On 12-10-11, Officers Sterling and Tesh contacted a homeless and hungry family of three who were resting near the Kodak Theater. Sterling gave them \$20.00 for food. The Officers then called Courtney from PATH who sent a van to pick them up and then take them to a Shelter for the night.

We have been involved in an on-going effort to convince the very troubled, substance abusing, homeless Justin to enter rehab and leave his destructive life on the streets. We were working with his mother Dawn and Reggie from PATH as well as others. Dawn came to Hollywood from her home in South Carolina to further this effort. She came to my office on and we discussed strategies. I connected her with Reggie from PATH and they had an emotional and productive meeting.

I later heard from Reggie and he told me that Dawn was very appreciative of BID Security's efforts to help. Dawn contacted me on Wednesday (12-14-11) and said that Justin had agreed to enter re-hab. Reggie then sent me an E-Mail on Monday morning advising that Justin is now in a rehab clinic in Brownsville Texas in a program sponsored by Dr. Drew and his Life Savers Program.

On 12-13-11, we heard from Isiah from PATH regarding the homeless Arni. He had been placed on an extended hold at the Pen Mar Therapeutic Center in El Monte. Isiah said that Arni had just been released to his mother who took him home to Arizona.

On 12-13-11, we learned that the longtime homeless Nancy, Morris and George have received their long awaited Section 8 Housing vouchers.

On 12-16-11, we found John unconscious on the sidewalk at Hollywood and Highland. There was an empty bottle of vodka on his chest. We were unable to rouse him and we called Paramedics. RA27 responded and took John to the hospital after failing to rouse him.

On 12-16-11, our Officers contacted Jenny who was lying on the sidewalk at 6225 Hollywood Blvd. She was very intoxicated and they

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

asked if they could call someone to pick her up. She laughed and made a marriage proposal to Officers Tesh and Thompson. The bartender from the Frolic Room then came over and said the Jenny was a regular

customer and had just left the bar. He offered to pay for a cab. Our Officers flagged down a cab and Jenny was on her way home.

On 12-17-11, we found a man down at the Tommie's Burger located at 5873 Hollywood Blvd. He was extremely intoxicated and we could not rouse him. We called Paramedics and RA 827 responded and took him to the hospital.

On 12-21-11, Sgt. Reyes and Officer Melvin found Samuel L. Jackson look-alike Chester down on the ground in front of the Post Office at 1601 Wilcox. He said he was feeling very poorly, but he did not seem sick enough to call Paramedics. Our Officers then drove him to the Saban Free Clinic where the nurse thanked them for their compassion.

In 12-22-11, our Officers Mike and Mike found the homeless Raymond being treated for a head injury at Wilcox and Yucca. Nancy had called Paramedics after Raymond fell into a parked vehicle. The Paramedics then took him to Cedars Sinai Hospital for a head injury. The Mike's contacted Raymond's case work Mark at Step Up On Second. Mark was grateful for the call and said that Raymond had been missing for a week. Mark said he would go to the hospital and meet with Raymond.

Raymond is a great example of our attempts at problem solving. We have had countless negative contacts with Raymond. BID Security has arrested him more than 24 times since 2005. Most of the arrests are for drinking in public, urinating in public and blocking the sidewalk. He also generates numerous calls requesting that we remove him.

As our tactics have evolved over time, we realize that constantly arresting people in this condition is not productive. Although we still have to take enforcement action to solve the immediate issue he may be causing, we have also teamed up with Homeless Outreach providers to seek a long term solution. This tactic has borne fruit and we continue to experiment and improve our efforts.

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

On 12-22-11, we found the long time troubled homeless John down on the sidewalk at Selma and Cassil Place. We called Mark who is John's case worker at Step Up In Second. Mark responded to the location. He arranged a room at the Gilbert and asked if we could take him there. We then delivered John to his lodgings for the night.

John's situation is very similar to that of Raymond also profiled in this report. He has generated multiple arrests and calls for service over the years. Our records reveal that BID Security had contact with him as early as July 1998. We continue to work with our partners in the Homeless Outreach Community to find a solution for John.

On 12-24-11, our Officers found Cherry passed out on the sidewalk at 6300 Fountain. They were able to rouse her and learned that she had 'walked away' from some type of mental treatment facility in Canada. She now found herself homeless and without money. LAPD Unit 6A45 (Officers Lepe and Coronado) arrived. They found a shelter located at 38th and Broadway that could take Cherry in. She was placed on an MTA bus

with written instructions for her transfers etc. Our guys attempted to pay the bus driver for her fare, but he was in the Christmas spirit and he took her for free.

On 12-27-11, our Officers found a homeless man lying on the ground at Selma and Wilcox. They asked him to get up and he complied and started to leave. They noticed that he needed clothes and shoes. He did not feel comfortable giving his name, but did agree to meet them at the Church of the Blessed Sacrament. They introduced him to Nate who provided the clothing. This represents the early stage of rapport building with this man.

NOTED ARRESTS:

On 11-7-11, at about 7:35 A.M., we arrested Jeffery for drinking in public at 1813 Cahuenga. He was almost finished polishing off a 40ounce bottle of Malt liquor. He was cited out by the LAPD. At 1:35 P.M., we again ran into Jeffery at 1728 Hudson. He had graduated to 40% alcohol Gin. We hooked him up again and transported him the LAPD Station.

On 11-17-11, we arrested John and Charles for drinking in public at 7080 Hollywood Blvd. They were transported to our office. John was in a great humor and had jokes to share. We then drove the suspects to the LAPD Station. John was wearing a Mariachi costume. The LAPD Desk Officer asked if he could really sing. This caused him to burst into song. After a few songs, the five people in the lobby and the Desk Officers joined in. Captain Grimala came into the lobby to see what the heck was going on and promptly joined the songfest. John was cited out as the crowd applauded

On 11-25-11, we arrested Michael for drinking in public at 6300 Hollywood Blvd. After taking him to the LAPD Station, we learned that he had two outstanding Felony No Bail Warrants for Weapons Possession and Theft.

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

On 11-26-11, our Officers were flagged down by Surasak Sutitanom who is part owner of the Spy Shop located at 5910 Sunset Blvd. He said that a man had done a huge amount of vandalism at the business and that his girlfriend was following the suspect. We caught up with the suspect David and placed him under arrest. Due to the extensive damage he was arrested for Felony Vandalism (594(b) (1) PC. We also found a 12" dual edged dagger and a smaller knife on him. The crime was captured on video. Several satellite dishes, surveillance cameras, related cables, metal roofing and other items were destroyed. I later spoke to LAPD Detective Romero. He told me that BID Officer Mike Coogle's report on this incident was excellent and allowed him to file both Felony Vandalism and weapons charges against the suspect.

On 11-27-11, we arrested John for drinking in public at 1601 Vine. This was our second arrest of John on this date for this violation.

On 11-27-11, we arrested Robert for drinking in public at the 7-11 located at 1810 Cahuenga. LAPD responded and ran him on their computer. They learned that he was a Two Striker with priors for Burglary.

On 11-29-11, we arrested Samuel for drinking in public in the 1700 block of Highland. We then learned that he is a cook at the Renaissance Hotel and he was merely having an adult beverage prior to starting his shift. He was taken to the LAPD Station where he was cited out.

On 11-30-11, we received a radio call of a man trying to kick in the front gate at My Friend's Place located at 5800 Hollywood Blvd. Upon arrival we learned that the man was gone. We received another call about forty minutes later stating that he had returned.

Upon arrival our officers contacted suspect Kawika and Kristen who was with him. Both were very hostile and emotional. Kristen walked up to Officer Mooney and said "Get out of my way Bitch". She then suddenly hit him with an elbow strike to the ribcage. When our Officers attempted to arrest her for battery, Kawika attacked as well. We were forced to tackle him to the ground in order to place him under arrest for Felony Vandalism and

Assault. Both suspects resisted violently. Kawika received a small cut on his lip, but refused medical treatment. Kristin was uninjured. BID Security Sgt. Reyes received a laceration and had to be sent to the hospital for a tetanus shot.

ANDREWS INTERNATIONAL HOLLYWOOD/SUNSET BID PATROL

On 12-2-11 we arrested Christopher for drinking in public at 6465 Sunset Blvd. We then learned that he had an outstanding warrant for 11350 H+S (possession of narcotics).

On 12-3-11, we received a radio call of a man possibly trying to break into vehicles in the Dillon's Parking lot located at 1717 Vine. Upon arrival they spoke to Roderick. He was very hostile and seemed to be under the influence of drugs. He ran into traffic shouting profanities at people. He then approached Marcio and said "You f-ing asshole Persian. He then kicked and punched Marcio. Our Officers then swarmed the suspect and held him until the LAPD arrived and took custody.

On 12-4-11, our Officers saw two LAPD Officers in a violent struggle with a man outside of the Church of the Blessed Sacrament.
